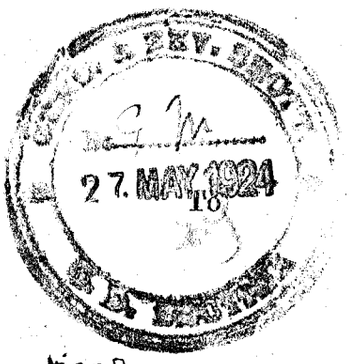
Rev. 125-23-8

From



K. Chandy, Esq., B.A.,

Revenue Commissioner in Mysore.

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

SIR,

With reference to correspondence ending with your letter No.G.6859/G.M.125-23-1 dated 3rd November 1923 calling for a report on the feasibility of the proposal to abolish the present 1st class Traveller's Bungalow at Mudgere and to convert the Town Hall into a 2nd Class Traveller's Bungalow, I have the honour to state that the Deputy Commissioner, Kadur District, who was consulted in the matter, reports in his letter No.H.C.242/23-24 dated 7th May 1924 that the Municipal Council has not yet finally decided to hand over the Town Hall for a payment of Rs.2,500/- and that the President has been written to, to furnish the definite views of the Municipal Council on the receipt of which the Executive Engineer has promised to submit an estimate of the Town Hall together with an estimate of the cost of its conversion into a Second Class Traveller's Bungalow.

2. The Deputy Commissioner himself is not in favour of the proposal to convert the Town Hall into a 2nd Class Traveller's Bungalow for the reason that it is too small to serve the needs of a 2nd Class Bungalow, that Government will have to spend a few thousand rupees to put up out-houses, Motors sheds etc., that having regard to the fact that the service reservoir for supply

of water to Mudgere town has been settled to be built just behind the Town Hall, its conversion to a 2nd Class Bungalow would be beset with difficulties and that the continuance of the Town Hall as such is highly desirable because a Reading Room has recently been located therein. But on the other hand, he recommends the conversion of the 1st Class Traveller's Bungalow into a 2nd class Traveller's Bungalow as it results in a net savings of Rs.228/- per annum as is evident from the accompanying statement.

3. The Deputy Commissioner's recommendations have some force and I am in general agreement with him. He has been addressed separately to submit his final report, after ascertaining the views of the Municipal Council etc., on the conversion of the Town Hall into a Traveller's Bungalow.

I have the honour to be,

SIR

Adverting to correspondence ending with this office letter No.C. 1469/23-24 dated 26th May 1924 in the matter of the abolition of the 1st Class Traveller' Bungalow at Mudigere and the conversion of the Town Hall into a 2nd Class Travellers' Bungalow, recommending in para 2 of the same letter that the 1st Class Travellers Bungalow itself may with advantage be converted into a 2nd Class Travellers Bungalow, I have the honour to state that the Deputy Commissioner Kadur District, reported in his letter No.D.1.Dis. 19/24-25 dated 31st July 1924 that the Municipal Council of Mudigere was agreeable to part with the Town Hall for a payment of R. 2500/- and that the Executive Engineer, Kadur Division, sent in an estimate for R. 6500/- for improving the Town Hall building so as to fit it for a Travellers' Bungalow which estimate included R. 2500/- to be paid to the Municipality

2. The Executive Engineer has suggested as an alternative to the conversion of the town hall into a 2nd Class Travellers Bungalow at a cost of R. 6500/- that the Town Hall building may very well be acquired by Government for holding the additional classes of the A.V. School and that the 1st Class Travellers' Bungalow itself may be converted into a 2nd Class Travellers Bungalow, and this is in agreement with my last recommendation (vide para 2 of my previous letter)

P.T.O.

3. Subsequently Resolution No. 11 of the Municipal Council suggesting the conversion of the present 1st Class Travellers Bungalow into a Male and Female Dispensary was forwarded to me by the Deputy Commissioner and the Deputy Commissioner was requested in this office docket No.C. 1469/23-24 dated 21st August 1924 to give his opinion on the new proposal of the Municipal Council and to submit his opinion on the question as a whole. The Deputy Commissioner has stated in his letter No.D.1.Dis.33/24-25 dated 23rd August 1924 (copy enclosed) that the various ways of the intended disposal of the 1st Class Travellers Bungalow by the Municipal Council do not meet with his approval and requests that his first proposal (viz the conversion of the 1st Class Travellers Bungalow into a 2nd Class Travellers Bungalow) may be sanctioned and the others dropped. I agree with the Deputy Commissioner.

4. The enclosures to the Deputy Commissioner's letter are submitted herewith for perusal of Government.

I have the honour to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

G.R.

Letter No.D.1.Dis. 33/24-25 dated 23rd August 1924 from the Deputy Commissioner, Kadur District, to the Revenue Commissioner in Mysore.

With reference to your docket No.C. 1469/23-24 dated the 21st August 1924, calling for my final opinion on the several proposals made by the Municipal Council of Mudigere regarding the disposal of the 1st Class Travellers' Bungalow there etc., I have the honour to invite kind reference to my letter H.C. 242/23-24 dated 7th May 1924, in which I have given my opinion about the conversion of the First Class Travellers' Bungalow at Mudigere into a second class. I do not approve of any of the proposals made by the Municipal Council regarding the disposal of the present Travellers' Bungalow and the provision for accommodation of travellers elsewhere.

There are different sets of proposals made by the Municipal Council in regard to the disposal of the present Travellers' Bungalow.

(1) Its utilisation for school purposes and placing it at the disposal of the Education Department. (Dasara Representative Assembly Subject No. 4.)

(2) Its conversion into a Male and female Dispensary.

The first proposal has practically been superceded by the later one, and as regards this latter, I would invite reference to the Dewan Sahib's reply to the Municipal address in February 1923, Vide margin.

'If the present building of the Hospital was extended by the addition of two rooms and a lady Sub Assistant Surgeon posted there) their requirements of the place would be satisfied.'

Action is being taken for the establishment of a combined dispensary. Government have, as stated in Legislative Secretary's letter No. L.328/Med dated 17th July 1924,(copy enclosed) provided a sum of R 1,200/- in the current year's budget to meet their quota of cost and the Municipal Council has agreed to pay R 600/ as its contribution.

P.T.O.

I do not think the shifting of the accommodation for travellers to the Amildar's quarters nearer to the town would be appreciated by them. The arrangements proposed by the Municipal Council are all cumbersome and not conducive to public convenience. For all these reasons, I would request that the recommendation already made by me for the conversion of the Travellers" Bungalow from 1st Class to 2nd Class be sanctioned, and the rest of the proposals dropped.

Copy.

For Revenue Commissioner.

G.R.

Letter No.L.328/Mis. dated 17th July 1924 from the Secretary to Government, Local and Legislative Departments, to the Deputy Commissioner Kadur District.

I am directed to intimate that a sum of Rs. 1,200 has been provided in the budget estimates for 1924-25 towards the Government share of the cost of improvements to effected to the Local Fund Dispensary building at Mudigere to make it suitable for use as a combined dispensary for men and women, and to request you to be so good as to place the matter before the Municipal Council of Mudigere and the District Board of the Kadur District with a view to provide their quota of the contribution for the work in the budget estimates of these bodies for 1924-25.

A report of the action taken may kindly be made to Government very early.

With reference to your No. H.C.242/23-24 dated 7th May 1924 and subsequent reminder D.O.No.H.C.88/23-24 dated 13th July 1924 in the matter of abolition of the 1st class Travellers' Bungalow at Mudigere and conversion of the Town Hall into a 2nd class one, I have the honor to forward herewith the proposals for the conversion of the Town Hall into a 2nd class Traveller's Bungalow for further disposal.

2. The cost of the proposals will be Rs. 6,500/- as detailed in the report.

3. It will be better to acquire the Town Hall for holding the additional classes of the A.V.School there and convert the 1st class Traveller's Bungalow into a second class one. In this case the cost will be only Rs. 2,500/-.
